Uncover the Past With Our Expert Editors and Field Archaeologists:

◀ **Claudia Valentino, Editor in Chief**

An editor for more than 30 years, Valentino has worked with some of the country's most distinguished investigative journalists. She has shaped both the editorial and design vision of numerous national publications including *Seed*, *Popular Science*, and *American Health* and her work has been recognized by the American Society of Magazine Editors, and The Society of Publication Designers.

◀ **Jarrett Lobell — Executive Editor**

Lobell combines a decade of experience as a features writer and editor at *ARCHAEOLOGY*, having covered stories from Eastern Europe to China, from the desert Southwest to Egypt. She is currently a field archaeologist in the U.S., northern Israel, and directs an international research project at Pompeii.

◀ **Samir S. Patel — Deputy Editor**

An accomplished science journalist, editor, and photographer, Patel has reported stories from all over the world. He is a recipient of Columbia University's "Pulitzer Traveling Fellowship" which allowed him to journey and report widely to create photo essays on environmental issues.

◀ **Andrew Lawler — Contributing Editor**

During a quarter-century of reporting for publications such as *National Geographic*, *Science*, and *Smithsonian*, Lawler has written hundreds of articles on topics ranging from ownership of ancient manuscripts, the rise of Buddhism in Afghanistan, to the discovery of 5,000-year-old writing in Iran.

◀ **Roger Atwood — Contributing Editor**

Atwood is a London-based journalist and author who writes about art, culture, and politics for publications as diverse as *Mother Jones*, *Scientific American*, and *The Washington Post*. His riveting book, "Stealing History" closely examines the causes and effects of looting at archaeological sites.
