

The Keys to Growth are Already in Your Company

1

They're your employees. And how they work together holds the key to your future profits, growth and productivity.

2

Attend Inc.'s and Winning Workplaces' intensive conference
October 27-29, 2010
Denver Marriott City Center

3

... and learn battle-proven strategies and tactics for unlocking their desire to be part of a winning team. **C3** will show you how to create a "Can Do" culture that turns your employees into your most important competitive weapon.

In three days of intensive how-to sessions, you'll meet and learn from 20 high-performance team builders, entrepreneurs, and CEOs on topics like:

- How to Make Your Employees Company Evangelists
- Leadership Development
- How to Turn Around a Toxic Workplace
- The High Cost of Jerks at Work
- ...and a lot more

C3 is an unparalleled opportunity to network with like-minded business leaders. You'll take home the latest tools, techniques and leadership skills for developing trust, opening communications, encouraging innovation, and building a company culture that works for you.
